a. PCA Method of Measurement in accordance with the Property Council of Australia's PCA Method. As per the draft strata plan, a. Figure: The figure is different for every apartment. Marketing floor plans show a single typical layout configuration of an apartment and should not be used to determine the position of layout elements. The building information plan should be used to confirm the position of the various layout elements for each apartment. b. Section: Please refer to your Contract for Sale for a list of inclusions with the property. Furniture shown are indicative only and are not included in the plan. The plan was produced prior to construction and is intended as a guide only. Development is subject to authority approval. Please refer to the information contained in this advertising and marketing document. Any prospective purchaser should make their own enquiries as to the accuracy of the information. We exclude all liability in respect of any loss or damage arising from use of this document and any liability for loss or damage arising from these facts.
